

## **THE EAST AFRICAN SCHOOL OF AVIATION (EASA)**

**(ICAO) as a Regional Training Centre of Excellence (RTCE).**

The East African School of Aviation (EASA) is an Approved Aviation Training Organization authorized to train a variety of aviation related programmes by the Kenya Civil Aviation Authority (KCAA) and is accredited by International Civil Aviation Organization (ICAO) as a Regional Training Centre of Excellence (RTCE). EASA offers a wide range of aviation programmes using state of the art training equipment. EASA courses are Competency - Based which ensures that its graduates have the requisite Knowledge, Skills and Attitude for the rapidly growing aviation industry. We also offer hospitality services e.g. Conference/Workshop facilities, Sports facilities, Swimming pool, Events and accommodation.

The School has campuses in Embakasi and Wilson Airport and attracts trainees from East, West, Central and Southern Africa for the following courses;
